

# Everybody's Working for the Weekend

Intro- go thro a normal work day/week?  
A land on "free time"

Considering this morning  
what should we do w/it?

Isn't free time wonderful (It's a trap!)  
(modern society) We have a modern dilemma, but he hasn't left us adrift

① First things first: Definition of Terms  
SAM'S PHILOSOPHY of EXISTENCE

↳ we need to think  
clearly about free time  
... and I'm not a lion

Jn 15  
Gen 1:27 ← LIFE - knowing, glorifying, enjoying God

- not throwing out TV or  
- buy a column to sit on

Gen 1:28  
Eph 5:22-6:4 ← WORK - Executing Yahweh's prime directive  
fruitfulness, multiplication, dominion  
~ pursuing wellbeing of your family + community (house chores, bodily care, devotions) etc

JOB/VOCATION vocation ~ your specific role + use of time that carries  
out the prime directive ~ that subdues the earth as God's  
agent.

job ~ a tool we use to help us

~~we idolize ease + comfort~~

(mythological) FREE TIME as we pursue the work of  
fruitfulness, multiplication, dominion (improve my family's situation)  
= provides us w/ funds for "needs" + wants, a crucible to refine our character,  
a place to execute the dominion God has given us, a field in which to  
plant, ~~sow~~ water, tend + harvest spiritual fruit.

② Biblical view of time  
freetime: Any time leftover after job + house chores  
unfinished for which we are not responsible or  
accountable.

Eph 5:15-20 It is a resource God has given us to steward to his ends. **MYTH**  
Time is scarce, use it wisely/carefully, full of the Spirit (mutual encouragement,  
inner worship, thanksgiving)  
Buying Time (discretionary time)

How do I live like God wants me to, even when I'm done w/ ~~work~~ <sup>home-care</sup> job + tasks
