At the center of our worship must be the perpetual reminder of God's righteous standard and God's gracious provision of \_\_\_\_\_.

We are to be the \_\_\_\_\_ of Christ. 2 Corinthians 2:15

Christ is the sacrifice once for \_\_\_\_\_. Hebrews 9:11-12

### Applying the truth

Is Jesus \_\_\_\_\_ Savior?

1. What does the "Tent of Meeting," as a whole, tell us about God and His plan for His people (see Genesis 17:7-8; Exodus 29:44-46; Ezekiel 37:27-28; John 1:14; Revelation 21:3, etc.)?
2. How do the separate pieces of furniture in the Tabernacle point forward to Christ and find their fulfillment in Him: Table with Bread of Presence; Golden Lampstand; Incense Altar; Ark of Covenant?
3. Explain the connection between rituals and relationship. Why are rituals helpful in maintaining a relationship? What are some "rituals" or traditions you have in your home, family, marriage, friendships, etc. which promote relationship? What are the rituals of our faith experience which strengthen our relationship with God? When do rituals become counter-productive? Why? How can we avoid that?
