Now What?

Questions to discuss with your prayer partner, spouse, or Life Group:

1. What are the ultimate benefits of God’s wisdom? If the benefits of God’s wisdom are so great, why don’t more people actively pursue it? How do we process the fact that bad things also happen to wise, godly people?
2. The father figure in these chapters urges his son to pursue wisdom. At the same time, we’re told that wisdom is a gift from God. How do we pursue and get what only God can give?
